Describe Proposed Project: Complete structure decontamination, demolition and selective site restoration of the former Russell Station Generation plant and associated structures.

Floor Area See Ex. C to the Application X Stories See Ex. C to the Application Total Sq. Ft. See Ex. C to the Application

Value of Construction \$ To Be Determined Value of construction is the cost of the improvement, including any implied value of donated material or labor. For contractor work, it is the total cost.

A Building permit expires 12 months from the date of permit issuance.

Application is hereby made to the Building Office for the issuance of a Building/Plumbing Permit pursuant to the Title 19 NYCRR for the construction of buildings, additions or alterations or the removal or demolition, as herein described. The applicant or owner agrees to comply with all applicable laws, ordinances, regulations and all conditions expressed on this application which are part of these requirements and also will allow all inspectors to enter premises for the required inspections.
