

[Gas ESCO Company Letterhead]

TO: RG&E Supplier Relations

DATE:

This memo serves to inform you that **[Gas ESCO name]**, in place of submitting written customer authorizations for requests for billing history information prior to enrollment, has chosen to utilize verbal recordings of approval from its prospective non-residential retail customers as an alternative means of proof confirming these types of requests.

[Gas ESCO name] also recognizes and accepts responsibility as a qualified energy service company to maintain records and to be able to demonstrate proof of customer authorization through the use of tapes or other recorded media for verbal approval, subject to audit by the New York State Public Service Commission.
