Rebate Guidelines

- Program measures and rebate levels are pre-determined; however, NYSEG/RG&E may change the program at any time without notice.
- No maximum per customer rebate; however, NYSEG/RG&E reserve the right to cap the rebate to any one customer.
- Pre-approval is required for prescriptive applications with total rebate value greater than \$10,000.
- Customers can receive rebates from the New York State Energy Research and Development Authority (NYSERDA) or their utility, but **not** from both NYSEDA and their utility for the same measure.

Program Requirements

- Installation of one or more eligible measures must occur on or after the program start date of July 1, 2010.
- Application form must be submitted with all required supporting documentation.
- Completed application must be received within 90 days of equipment installation.
- Customer must comply with verification requirements.
