

Independent Non-Executive member of the Board of Directors of Avangrid, Inc.

Independent, non-executive member, Ms. Timm serves on the Board of Directors of Avangrid and its Audit and Compliance Committee. She is the Maine Chapter President of the International Women's Forum, President of the Board of Girl Scouts of Maine, a member of the Boston Club and its Corporate Board Committee, an advisory member of the Olympia Snowe Leadership Institute and is active with a number of other non-profit organizations.

NOTEWORTHY EXPERIENCE:**Other industries**

Ms. Timm is a chief executive and financial services industry leader recognized for building and managing profitable businesses and strategic alliances. Ms. Timm served as an independent member of the Avangrid Networks board of directors and chaired its audit and compliance committee, including the committee and board oversight of the preparation and issuance of its audited financial statements and Sarbanes-Oxley certifications. She has served as President of both mature and de novo operations for Bank of America and Citibank in Maine. From 1998 until 2012, Ms. Timm was Maine Market President for Bank of America and its predecessor company Fleet Bank of Maine. She previously held senior executive positions in Maine at Fleet Bank, Citibank and Key Bank. Most recently she was a management consultant for REMAX/By the Bay, a leading regional real estate firm, assisting with the firm's three locations in Maine and NH where she advised the Owner and Designated Broker on strategic priorities, communications, professional recruitment and retention, management routines, and leadership skills.

Other Information

Throughout her career Ms. Timm has been actively involved in local, regional and national community organizations. She has been honored by the Girl Scouts of Maine as their Woman of Distinction, received the National Excellence in Community Leadership award from Job's for America's Graduates and the Tribute to Women in Industry Award from The YWCA Portland. Ms. Timm holds a Bachelor of Arts degree in Psychology from the University of Maine and an M.B.A. in Business from the University of Southern Maine. She has two grown daughters.
