1. Formation

The Board of Directors (the “Board”) of Avangrid Networks, Inc. (the “Company”) established the Audit and Compliance Committee (the “Committee”) effective on November 20, 2013. The Committee is a standing committee of the Board with powers established by the Board in its approved Audit and Compliance Committee Charter.

The initial Charter was approved by the members of the Committee on December 4, 2013, ratified, and confirmed by a resolution of the Board of Directors of the Company on December 4, 2013 but effective as of November 20, 2013. Since then, multiple amendments have been duly made to the Charter, with the most recent modifications having been made effective as of December 3, 2020.

The Charter may only be modified at the request of the Chairman of the Committee or the majority of the members thereof, by means of a resolution adopted by the Committee to recommend the modifications to the Board, and by approval of the modifications by a majority of the Board of Directors.

The Committee shall consist of three directors, all of whom are appointed by the Board of Directors. Two members of the Committee shall be “independent” in accordance with the Company’s By-Laws. Each Committee member must be “financially literate” as used in New York Stock Exchange (“NYSE”) Rule 303A.07 (as such qualification is interpreted by the Board of Directors in its business judgment), particularly in the areas of accounting, auditing or risk management, to perform their responsibilities as members of the Committee, and each Committee member shall have the ability to read and understand the Company’s basic financial statements. At least one member of the Committee shall have “accounting or related financial management expertise” as used in NYSE Rule 303A.07, as determined by the Board of Directors in its business judgment. The Committee will have a Chairman, who shall be an Independent Director, and a Secretary, each of whom will be appointed by the Board of Directors. Committee

members shall not simultaneously serve on the Audit Committees of more than two other public companies without prior approval of the Board of Directors.

2. Members of the Committee

The committee consists of three directors, all of whom were appointed by the Board of Directors and two of whom are, in the judgment of the Board of Directors, independent in accordance with the Company's By-laws. Each Committee member has sufficient financial experience, particularly in the areas of accounting, auditing, or risk management, to discharge their responsibilities as members of the Committee and each member has the ability to read and understand the Company's basic financial statements. The Committee has a Chairperson. The following members of the Committee, as well as the Chairman of the same, were appointed by the Board of Directors:

3. Authorities and Responsibilities

The Committee will have the following authority and responsibilities:

- a) With respect to the Internal Audit Division:
 - i) Oversee the independence and efficiency of the Internal Audit Division, ensuring that it has sufficient resources and the professional qualifications necessary to carry out its functions optimally.
 - ii) Approve the guidelines and the annual action plans established by the Director of the Internal Audit Division, in accordance with the guidelines and general plans established by the Company and its subsidiaries (the "Avangrid Networks Group").
 - iii) Propose the budget of the Internal Audit Division for approval by the Board of Directors.
 - iv) Propose to the Board of Directors the appointment, re-election, or removal of the Director of the Internal Audit Division.
 - v) Review and approve annually the performance goals and objectives applicable to the compensation of the Director, Internal Audit Division, and evaluate a least annually the Director of the Internal Audit Division's performance in light of those goals and objectives and related compensation.
 - vi) Oversee the Internal Audit Division, functionally at the direction of the Chairman of the Committee and, more broadly, as directed by the Chairman of the Board. The Director of the Internal Audit Division shall be the regular point of contact for communication with the Committee and the rest of the Company's organization without prejudice to the provisions of the following paragraph (b) and shall be responsible for preparing the information required at meetings, which the Director of the Internal Audit Division shall attend if the Committee deems appropriate, but in any case subject to the provisions of Section 11 below. The Director of the Internal Audit Division shall inform the Committee of any incidents, accounting irregularities or illegal acts which may be occur in the development of the annual activity plan, presenting them at the end of each year with an activity report.
 - vii) Receive regular information on the activities carried out by the Internal Audit Division.

- viii) Ensure that management complies with the conclusions and recommendations contained in the reports of the Internal Audit Division. The Committee may gather information and request the collaboration of any member of management of the Company or its subsidiaries and will notify the Chairman of the Board of Directors and the Chief Executive Officer of the Company, as applicable.
- b) With respect to the internal monitoring and risk management systems:
- i) Be aware of and review the financial information process and the internal monitoring systems linked to the risks of the Avangrid Networks Group, and ensure that the main risks of the Avangrid Networks Group are identified, managed and adequately reported on the following basis: (1) the different types of risks the Company may face, including, without limitation, operational, legal, internal control, financial and economic risks, contingent liabilities and other off balance-sheet risks and emerging risks; (2) the measures necessary to mitigate the impact of any risks, should any of them materialize; and (3) the information and internal monitoring systems that will be used to monitor and manage the aforementioned risks, including the contingent liabilities or off balance sheet risks, ensuring that the systems are adequately adapted to the general processes and systems established by the Avangrid Networks Group.
 - ii) Maintain appropriate relationships with the risk division of the Company (the "Company's Risk Division"). The Company's Risk Division shall be the regular point of contact for communication with the Committee and the rest of the Company's organization on specific matters in connection with risks, as it is responsible for preparing the information required on these issues at meetings, which the head of the Company's Risk Division shall attend if the Committee deems appropriate, but in any case subject to the provisions of Section 11 below. Therefore, the Company's Risk Division will keep the appropriate information and coordination relationship with the existing audit and compliance committees, if any, of the boards of directors at the Company's subsidiaries.
 - iii) Review with management, the Internal Auditor and the Independent Auditor the major financial risk exposures of the Company and the steps management has taken to monitor and control such exposures.
 - iv) Prepare, at least every six months, a report to the Board of Directors on the risks of the Company.
- c) With respect to the Independent Auditor:
- i) Appoint and oversee the work done by the Independent Auditor.
 - ii) Select, retain, compensate, oversee, and terminate, if necessary, any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Company.
 - iii) Review and inform the Avangrid Networks Board of Directors regarding all audit, audit related and permitted non-audit services that may be provided by the Independent Auditor.
 - iv) Receive regular reports from the Independent Auditor on issues and developments in accounting or auditing legislation and in the auditing practices in force from time to time, establishing the necessary information channels between the Internal Auditor and the Avangrid Networks Group.

- v) At least annually, obtain and review a written report from the Independent Auditor describing (1) the firm's internal quality control procedures, (2) any material issues raised by the most recent Public Company Accounting Oversight Board inspection, by an internal quality control review of the firm, peer review, or by any inquiry or investigation by governmental or professional authorities within the past five years, concerning an independent audit or audits carried out by the firm, and any steps taken to deal with any such issues, (3) all relationships between the firm and the Company or any of its subsidiaries or affiliates; and (4) any relationships or services that may impact the objectivity and independence of the Independent Auditors, and discuss such report with the Independent Auditor.
- vi) Review and discuss with the Independent Auditor (1) all critical accounting policies and practices to be used in the audit; (2) all alternative treatments of financial information within generally accepted accounting principles in the United States ("GAAP") that have been discussed with management of the Company, the ramifications of the use of alternative treatments and the treatment preferred by the Independent Auditor; and (3) other material written communications between the Independent Auditor and management, including, without limitation, any management letter or schedule of unadjusted differences.
- vii) To review with management and the Independent Auditor: (1) any major issues regarding accounting principles and financial statement presentation, including any significant changes in the Company's selection or application of accounting principles; (2) any significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including the effects of alternative GAAP methods; and (3) the effect of regulatory and accounting initiatives and off-balance sheet structures on the Company's financial statements.
- viii) To review with management, the Internal Auditor, and the Independent Auditor the adequacy and effectiveness of the Company's internal controls, including any significant deficiencies or material weaknesses in the design or operation of, and any material changes in, the Company's internal controls and any special audit steps adopted in light of any material control deficiencies, and any fraud involving management or other employees a with significant role in such internal controls, and review and discuss with management and the Independent Auditor disclosures relating to the Company's internal controls.
- ix) Review and discuss with the Independent Auditor and management (1) any audit problems or difficulties, including difficulties encountered by the Independent Auditor during their audit work (such as restrictions on the scope of their activities or their access to information), (2) any significant disagreements with management, and (3) management's response to these problems, difficulties, or disagreements.
- x) Review and resolve disputes between management and the Independent Auditor.
- xi) Review and discuss with the Independent Auditor all matters required to be discussed by PCAOB Auditing Standards No. 16, Communications with Audit Committees.
- xii) Review with the Independent Auditor: (1) the scope and results of the audit; (2) any problems or difficulties that the Independent Auditor encountered in the course of the audit work, and management's response; and (3) any questions, comments or suggestions the Independent Auditor may have relating to the internal controls and accounting practices and procedures of the Company.

- xiii) Review the Independent Auditor's work throughout the year, including obtaining the opinions of management and the Internal Audit Division, and, at least annually, evaluate the qualifications, performance, and independence of the Independent Auditor.
 - xiv) Issue, on an annual basis and prior to the issuance of the Independent Auditor's report, a report setting forth an opinion on the independence of the Independent Auditor. This report shall, in all cases, address the provision of the additional services referred to in subsection 2(c)(iii) above.
 - xv) Serve as a communication channel between the Board of Directors and the Independent Auditor, from whom the Committee will receive regular information on the auditing plan and the results of its execution.
- d) With respect to the process for the preparation of the Company's financial information:
- i) Review and discuss with management and the Independent Auditor the annual financial statements (including the related notes) of the Company, the form of audit opinion to be issued by the Independent Auditor on the financial statements and the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations".
 - ii) Review and discuss with management and the Independent Auditor the periodic economic and financial information of the Company.
 - iii) Obtain and review certifications from management on the Company's periodic financial reports as to compliance on the content and the preparation of such financial reports with laws, regulations, and any other applicable rules.
 - iv) Oversee compliance with the legal requirements and the correct application of the accounting and financial information principles and practices that may be applicable to the annual accounts of the Company.
 - v) The Committee shall report to the Board of Directors on the semi-annual and quarterly economic and financial information.
- e) With respect to compliance with legal requirements, good governance requirements, and the prevention and correction of illegal or fraudulent conduct:
- i) Receive information from Avangrid's Compliance Division (the "Compliance Division") in connection with any matter relating to regulatory compliance and the prevention and correction of illegal or fraudulent conduct.
 - ii) Review, through the Compliance Division, the internal policies and procedures of the Company and the operation of the Ethics and Compliance Helpline (as defined in the Company's Code of Business Conduct and Ethics) to verify the effectiveness thereof to prevent inappropriate conduct, and identify any modifications to such policies or procedures or new policies or procedures that, if adopted or implemented would be more effective at promoting the highest ethical standards for submission to the Board of Directors. In particular, report to the Board of Directors any proposals to modify the Regulations of the Compliance Division.

- iii) Review and ratify the annual operating budget of the Compliance Division for submission to the Board of Directors and ensure that the Compliance Division has the necessary human and material resources to perform its duties, also ensuring its independence and effectiveness.
 - iv) Approve the annual activities plan of the Compliance Division.
 - v) Propose to the Board of Directors the appointment, re-election, or removal of the Chief Compliance Officer.
 - vi) Review and approve annually the compensation and performance goals and objectives applicable to the Compensation of the Chief Compliance Officer and evaluate, at least annually, the performance of the Chief Compliance Officer in light of such performance goals and objectives related to compensation.
 - vii) Establish procedures for (1) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and (2) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters, and review any complaints or concerns received pursuant to such procedures.
 - viii) Receive the report on ethics compliance submitted to the Committee by the Chief Compliance Officer to provide an update on the compliance programs established and maintained by Avangrid Networks, compliance-related training programs and corporate governance actions, the crime prevention program, ethics and compliance communications made to employees of the Avangrid Networks Group, and similar practices.
- f) With respect to cases of irregular and improper financial conduct:
- i) Establish and supervise the channels that permit the employees of the Company to communicate appropriately, confidentially and anonymously any irregularities, especially those of a financial and accounting nature, which they may have witnessed at the Company, taking into account in each case, applicable regulations regarding the protection of personal information and the fundamental rights of the parties involved.
 - ii) Undertake the necessary investigations in connection with claims by third parties against the Company or in connection with irregular or illegal conduct, in accordance with the provisions of the preceding paragraph.
- g) With respect to special purpose vehicles and tax haven companies:
- Review and report to the Board of Directors on the proposed creation or acquisition by the Company or its subsidiaries of holdings in special purpose vehicles or entities in any jurisdiction or territory considered a tax haven, as well as any other transactions or operations of a similar nature which, due to their complexity, could undermine the transparency of the group of companies controlled by Avangrid, Inc. (the "Avangrid Group").

- h) **Business Separation of Activities Compliance:**
- i) Give its opinion on the report on separation of activities submitted to the Committee by the Chief Compliance Officer to provide an update on compliance with the separation of activities focusing on the effectiveness of the practices, procedures, and systems adopted in accordance with applicable regulatory requirements of the Avangrid Networks Group.
 - ii) Oversee any regulated business separation of activities report of the Avangrid Networks Group.
 - iii) Inform the Board of Directors in advance of any changes to the business separation of activities regulatory requirements applicable to the Avangrid Networks Group.
 - iv) Consider the suitability of and advise the Board of Directors in advance about all proposed appointments and removals of directors at all regulated business subsidiaries of the Company in order to protect the effective management independence of the regulated companies.
- i) **Physical and cyber security:**
- i) Oversee, discuss with management, and regularly receive information from Avangrid Networks' corporate security matters, incident response management, and initiatives for continuous improvement.
 - ii) Review risks related to physical security, information security, cyber security, and technology, as well as the steps taken by management to mitigate such risks.
- j) The Committee will also assume any other functions that, as the case may be, the Company's bylaws or the Board of Directors assign or delegate to it.
