

Donna S. Watson

Independent Member of the Avangrid Networks, Inc. Board of Directors

Ms. Watson has more than 37 years of management and senior leadership experience in the financial services industry with expertise across core disciplines including operations, risk management, sales management, and client experience. Ms. Watson earned a Bachelor of Arts Degree from Hood College.

NOTEWORTHY EXPERIENCE

Ms. Watson most recently served as Bank of America's national operations executive for the preferred lending business. Previously, she was the operations executive responsible for process enablement, risk management and business continuity for the northeast divisions 950 financial centers. Ms. Watson served in various senior roles with Bank of America, including management of client facing field-based teams, risk and operations, and leading national strategic initiatives.

Before joining Bank of America in 1999, Ms. Watson was a director of marketing at Citigroup for the student loan corporation, Citigroup's publicly held student loan business. There she also held leadership roles in risk management, government and investor relations.

Ms. Watson also serves on the board of directors for the Girl Scouts of Maine.
