

**SERVICE CLASSIFICATION NO. 8
RESIDENTIAL DISTRIBUTED GENERATION
FIRM GAS SALES SERVICE**

APPLICABLE TO THE USE OF SERVICE FOR:

Firm Sales Service to any residential customer described below who has or installs a gas-fueled distributed generation (DG) facility that represents generating units designed to provide electricity to the customer. Such distributed generation facilities may include, but not be limited to, reciprocating engines, steam turbines, gas turbines and emerging gas technologies such as fuel cells and microturbines. Service under this service classification is available throughout the Company's service territory to which this schedule applies, providing the Company has facilities available and adequate for the load.

Residential service is applicable to individual private dwellings, including two-family dwellings where the customer is a resident, flats or apartments. It is applicable to all gas utilized exclusively in connection with religious purposes by any corporation, association or school organized and conducted in good faith for religious purposes; or any post or hall owned or leased by a not-for-profit corporation that is a veterans' organization. Residential service is also applicable to use exclusively in connection with a community residence for the mentally disabled, as defined in Subdivision 28, 28-a, or 28-b of Section 1.03 of the Mental Hygiene Law, provided that such residence is operated by a not-for-profit corporation and, if supervisory staff is on site 24 hours a day, that the residence provides living accommodations for 14 or fewer residents.
